Ed Miller (poker player) - Wikipedia

Professional No-Limit Hold `Em was a widely anticipated book. The literature on NL holdem is very sparse, which is somewhat odd given that it is currently the most widely played form of casino poker. Over the last couple of years, 2+2 publishing has put a number of books and series in the pipeline to try to fill

But the most consistent winners use analytical skill to complement their decision making, and in no-limit hold'em, the math is a lot more difficult than it is in the limit game. In limit, you're playing for one or two or three more bets; in no-limit, your entire stack may be on the line in every hand.
